

KŪPONO

GOVERNMENT SERVICES, LLC

An Alaka`ina Foundation Company

Established in 2013, Kūpono Government Services is a **Native Hawaiian Organization (NHO)-owned and SBA-Certified 8(a) Small Disadvantaged firm**. It is the third company established under the Alaka`ina Foundation Family of Companies (FOCs). Kūpono's mix of capabilities and 8(a) certified SDB procurement advantage present a

strong tool set to the Federal acquisition community. These features create a total solutions package that is compelling and can support a variety of acquisition strategies. Kūpono represents the cohesion that we bring, as **One Team with One Mission**, to each and every project, program, and contract we undertake.

NHO Procurement Advantage

As NHO-Owned 8(a) businesses, we are eligible to receive sole source awards in excess of standard thresholds. Advantages of the NHO 8(a) set-aside acquisition strategy include:

- Increased contract ceiling value
- Faster procurement cycle times
- Limited ability to be protested
- Permits tailoring of contract terms
- Assists with meeting small business objectives
- Places fewer demands on contracting organizations

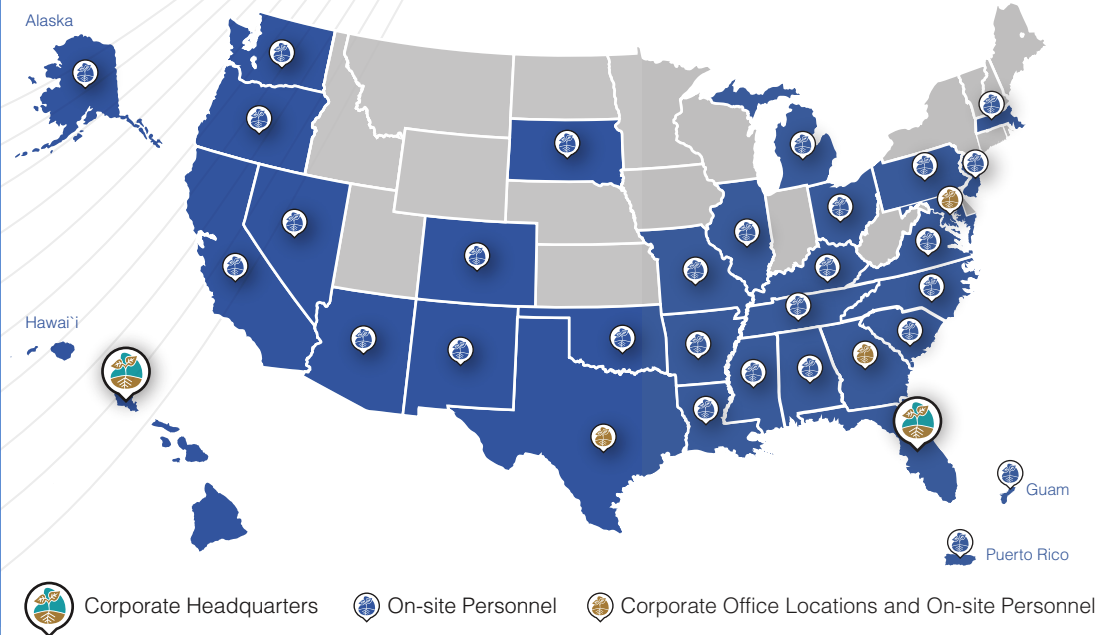

With our procurement advantage, we can respond to any customer requirement. By capitalizing on our ability to source, select, secure, and retain highly qualified personnel, we ensure superior quality and continuous support, and deliver the best value to the Government.

Alpha Contracting

In accordance with 13CFR124.506 (b)(2) our Native Hawaiian Organization (NHO)-Owned 8(a) firms are eligible and qualified to receive sole source, direct awards up to \$100M in all NAICS codes.

Our Name

Kūpono is a Hawaiian word meaning *uncompromising integrity*. Our company name reflects both our Hawaiian heritage and our aspirations. By selecting a term that stems from Hawaiian language, we are celebrating a rich and respected culture and distinguishing ourselves as a NHO small business.

Purpose

Our purpose, our "Why," is the Alaka`ina Foundation. We are an organization that has been long-committed to serving our Federal clients' objectives; we are also driven to give back to our communities. The goal of Alaka`ina 501(c)3 is to ensure that the young men and women of Hawai`i have the skills and competencies they need to be effective leaders.

CAPABILITIES FOCUSED ON TOTAL SOLUTIONS

Kūpono pairs extensive capabilities with procurement advantages (such as our NHO status) to deliver Total Solutions for our customers.
